- Maltodextrin

¹ Tested at less than 20 ppm gluten.

NO MESS. NO MIXING. FLAVOR WHEN YOU NEED IT.

For exceptional flavor, product performance and convenience, look no further than Custom Culinary® Gold Label True Foundations™ Liquid Stock Concentrates. Just like traditional bases, these versatile concentrates can be used to create outstanding soups, stocks and so much more. We make it easier than ever to save time and simplify prep across a variety of menu applications.

- Easy to measure and pour
- Boost flavor on demand in a sauté
- Try as a brining liquid or as a marinade for grilled protein or vegetables
- Infuse flavor into starches such as rice, quinoa and potatoes
- Use as the foundation for sauces and gravies

SINGLE SERVE SAFETY AND CONVENIENCE.

As operators look for new ways to customize meals, keep menus interesting, and provide carryout and delivery-friendly options, single-serve products have emerged as a valuable solution.

To meet this demand, we have expanded our Liquid Stock Concentrates portfolio. Our new Portion Control Liquid Stock Concentrates help you simplify preparation and improve safety without compromising flavor. This convenient format can be used to easily prepare individual servings of soup, and are an ideal add-in for ready-to-prepare meal kits.

Custom Culinary® Gold Label True Foundations™
Portion Control Liquid Stock Concentrates provide:

- Best-in-class product quality and flavor delivery
- Product safety
- Simplified back of house preparation
- Single serve portioning
- Ready-to-use convenience

Our premium line of clean label bases—Gold Label True Foundations™ uphold the standards of quality you already know and rely on. We're here to help our customers build better menus from the ground up.
